Please note that seating is first come, first served.

A unique opportunity to hear from the
finalists as they begin the design phase
of the International Design
Competition to reinvigorate the
Arch grounds and its connections
to St. Louis, the riverfront and the
Illinois side of the river.

Leaders of the design teams include:

- > **Behnisch Team** led by Behnisch Architekten - Stuttgart, Germany; Los Angeles
- > **MVVA Team** led by Michael Van Valkenburgh Associates - New York City
- > **PWP Landscape Architecture, Foster + Partners, Civitas** - Berkeley, Calif.
- > **SOM, Hargreaves, BIG** - Chicago
- > **Weiss/Manfredi, Architecture/Site Design/Urbanism** - New York City

To help the design teams understand what the Arch stands for and the values it represents to our region and our nation's history, members of the public are invited to share their thoughts, stories, photos and video. The competition organizers will post the public's contributions to the Web site and present them to the competitors. This will help the teams as they develop their designs. Submissions can be posted to the Community Connections page of the Web site (www.cityarchrivercompetition.org/community) or to the competition's Facebook and Twitter accounts (CityArchRiver).
